BOOSTER MEETING

Tuesday, July 17th at 7pm!!

Veteran parents already know - and new parents are about to discover – that the countdown is ON for the launch of the 2018 band season. When summer band camp starts, we will blast-off together into a fun-filled, crazy, hectic, world that won't slow down until November! We need all hands on deck to support our hard working students and band directors, and help them have an amazing marching band season.

Let's get the 2018 momentum started with great attendance at our first band booster meeting of the season in the BSHS chorus room on July 17th!

See you there!

!!!! PLEASE HELP US FEED THE DOGS !!!!

During summer band camp students will bring their own lunch every day, and dinner will be provided for them on Monday, Tuesday, Thursday and Friday nights.

We expect to have some very hungry Bulldogs, so we will need parent volunteers to help prepare & serve in order to get them all fed at 5:30pm each night.

Lynn Watkins will be posting volunteer sign-ups soon, or you can email her at nursemommywatkins@gmail.com to let her know that you can help.

2018 BSHS BAND SPONSORSHIPS

This year we have two types of sponsorship opportunities available:

1. **BAND SPONSORSHIPS** (details below) – Start at \$250, includes advertising, and a portion of the money can go toward a student’s band fees.
2. **PATRONS** – Sponsorships less than \$250. Patron donations can be made as a memorial to someone, or in honor of someone. Patrons are listed on a Patron’s page in our band festival programs (Patron form must be submitted). No money is applied to student fees.

Sponsorships are a great way for local businesses to help the BSHS band program. In return, our sponsors receive valuable advertising on our equipment trailer, on a banner by concessions, on our website, and in our band festival programs.

HELP WANTED!

Please take this opportunity to look at the committees below, and email the committee chairperson to let them know you are interested. Don’t put it off - time passes quickly - and before we know it our children will be walking across the graduation stage, and leaving their high school band years behind. Working with other band parents is a wonderful way to participate in something that is a big part of your child’s life right now. The success of their band program depends upon the teamwork and collaboration of an army of parent volunteers. When we work together – great things can be achieved!!

Boiling Springs Booster Association

Standing Committees

1. Concession Committee

Chairperson: Lynn Watkins nursemommywatkins@gmail.com

Volunteers work closely with the chairperson to operate the concession stand at all events. This includes cooking, grilling, prepping, taking orders, etc. This team really has fun working together!

2. Festival Committee

Chairperson: Lisa Wilke wilkie_l@yahoo.com

BSHS typically hosts two band festivals each year, and they are lots of fun! Many, many volunteers and helpers are needed for a wide variety of jobs to make each festival a success. Jobs include concessions, ticket booth, water tent hosts, parking of spectator cars, parking of band busses, director's lounge hospitality, transporting spectators to and from parking lots, merchandise sales, guiding bands on and off the field, and many other volunteer opportunities.

3. Hospitality Committee (Not related to festivals)

Chairperson: Becky Bishop beckybishop74@gmail.com

The volunteers on this committee are liaisons to new band parents, as well as parents/students in 9th grade and middle schools. This includes assigning veteran parents as mentors to new band parents, recruiting new members to attend booster meetings, and making sure all parents feel welcome to participate in booster and band activities. They also create and facilitate opportunities for BSHS band parents to get together and/or stay in touch at band events.

4. Meal Planning Committee

Chairperson: Lynn Watkins nursemommywatkins@gmail.com

Feeding and watering the 'Dogs' is a big job! This committee works together to arrange, order, and serve meals for students, staff and pit crew, while at home or while traveling.

5. Pit Crew Committee

Chairperson: Donnie Brown Donnie.brown726@yahoo.com

These volunteers make sure all field equipment, props, instruments, first aid tent, first aid supplies, and water are loaded and transported to and from every competition and event. At each band performance, they assemble/disassemble props, and assist with getting props and equipment on and off the field for each performance. Sometimes help is needed with constructing and painting props during pre-season.

6. Publicity Committee

Chairperson: Michele Thornton michele.thornton83@gmail.com

This committee works with the chairperson to advertise all activities of the band and the Boosters such as fundraisers, festivals, competitions, awards, etc. via social media, flyers, banners, etc.

7. Retail Committee

Chairperson: Brenda O'Bannon granb98@gmail.com

Volunteers are needed to help sell merchandise (t-shirts, hats, decals, etc.) at all home football games, special events, and BSHS festivals.

8. Sponsorship/Donations Committee

Chairperson: Karen Quinn katquinn@charter.net

This committee works together to acquire community-based band sponsorships. This committee also needs volunteers who will research corporations, foundations, and organizations that might provide grants and/or donations to the Boiling Springs music program.

9. Student Travel Committee

Chairperson: Susan Herbert sblackwell116@gmail.com

This committee consists of all chaperones. They work closely with the committee chairperson and Mr. Dennis Stepp to obtain information regarding bus rosters, sign-out sheets, and chaperone assignments and duties. All chaperones must submit a SLED check form to the district each school year prior to being approved. The forms can be located on the district website, the booster website (BSHSBB.ORG), and Charms.

10. Uniform Committee

Chairperson: Marjorie Doolittle mrdo0104@charter.net

It takes a lot of helpers to keep our students looking great in their uniforms! Help is needed with washing, alterations, and mending; as well as fitting students at the beginning of each season.

11. Ways and Means Committee

Chairperson: Jon Doolittle jon.doolittle@gmail.com

This committee plans and arranges most fundraising events, with the exception of festivals. Volunteers are needed to help facilitate details for fundraising projects such as section parents for car washes, Boston Butt cooking, etc. The chairperson of this committee also functions as the primary point of contact for any new fundraising ideas and proposals.
