Arrival Procedures

Try to arrive AT LEAST 30 minutes before your scheduled start time for check in and registration. We will strictly follow the Student Entry and Exit guidelines outlined below.

1. We ask that parents please remain in the car, if possible.
2. If there is a line of students being screened, your child needs to be socially distanced with at least 6 feet of space. There will be tape on the ground for this distance.
3. Each student will be screened with a series of questions.
4. Each student will then have his/her temperature taken.
5. Following the health screening, your child will be directed to his/her assigned area for camp.

What to Bring for Camp

- **FILLED water jug** (*Safety regulations do not allow use of water fountains or for us to refill water jugs*)
- **Mask** (we will provide you with one on the first day).
- Comfortable clothing and good athletic shoes.
- **Completed Covid-19 Waiver form.**

Band Fees

We are reducing fees to \$150. This money helps provide funds for staff, show/stands music, show shirt, and various other items that your child will need for the season. **Make checks payable to: BSHS.** All funds need to be paid to Mrs. Wall, located in the front office of Boiling Springs High School. We will be doing a couple of fundraisers throughout the year. Please plan to help with those!
