The meeting was opened at 7:03 pm by Tripp Bishop, President.

Handouts at meeting: Meeting Minutes, Financial Summary, Event Calendar

**From Tripp Bishop: President**

- Minutes, Budget and Calendar all approved unanimously
- BBQ fundraiser went really well.
- Our car show will be on May 11th. We will post registration information once we have everything finalized.
- Our car washes will start later on.
- We just started our new fundraiser through MoneyDolly. Kids should have already loaded their contacts into the app. If students participated in the fall, all of their information is already in the app.
  - Once you purchase a card, all of the business associated with our card will become available on the app.
  - This is a digital card. The app will keep track of the coupons that you have used. Some codes are one time use, and others that are available until next year when the card expires.
  - If you purchase a card through our program, and then go to another area, our card will pull up all schools in the area that are participating as well.
  - Your contacts have the option of making a donation or purchasing a card.
  - Businesses were selected through a third party company.
  - This card is good for a full year from purchase.
- If anyone got chocolate from Mr. Stepp, please turn the money in to him if you haven't already.
